This is the first time you have used Ortho Evra  
To reduce your chances of pregnancy, it is  
recommended that you select the first day of  
your menstrual cycle as you weekly Patch  
Change Day. You may also select the first  
Sunday after the start of you menstrual cycle as  
your weekly Patch Change Day; however, you  
will need to use back-up contraception for the  
first week.

Please Choose your Patch Change Day

The first day of your period ☐
